

Road To Nowhere

Musik und Text: Talking Heads
Bearbeitung/Arrangement: Christoph Kalz, 01/2014

♩ = 60

The first system of the musical score consists of five staves. The top four staves are in treble clef with a key signature of one sharp (F#) and a 4/4 time signature. The bottom staff is in bass clef with the same key signature and time signature. All staves begin with a forte (f) dynamic marking. The lyrics are: "Well we know where we're go - in' But we don't know where we've been And we". The melody is a simple, rhythmic line with eighth and quarter notes.

Well we know where we're go - in' But we don't know where we've been And we

Well we know where we're go - in' But we don't know where we've been And we

Well we know where we're go - in' But we don't know where we've been And we

Well we know where we're go - in' But we don't know where we've been And we

Well we know where we're go - in' But we don't know where we've been And we

The second system of the musical score consists of five staves. The top four staves are in treble clef with a key signature of one sharp (F#) and a 4/4 time signature. The bottom staff is in bass clef with the same key signature and time signature. The system begins with a measure rest marked with the number 4. The lyrics are: "know what we're know-in' But we can't say what we've seen_ And we're not litt-le chil-dren And". A box labeled 'A' is placed above the fourth staff, indicating a section marker. The melody continues with eighth and quarter notes, and the lyrics are repeated on each staff.

know what we're know-in' But we can't say what we've seen_ And we're not litt-le chil-dren And

know what we're know-in' But we can't say what we've seen_ And we're not litt-le chil-dren And

know what we're know-in' But we can't say what we've seen_ And we're not litt-le chil-dren And

know what we're know-in' But we can't say what we've seen_ And we're not litt-le chil-dren And

know what we're know-in' But we can't say what we've seen_ And we're not litt-le chil-dren And
