Thank You for the Music

I'm nothing special, in fact I'm a bit of a bore.
 If I tell a joke, you've probably heard it before.
 But I have a talent, a wonderful thing,
 'cause ev'ryone listens when I start to sing.
 I'm so grateful and proud,
 all I want is to sing it out loud.

So I say thank you for the music, the songs I'm singing,
 thanks for all the joy they're bringing.
 Who can live without it, I ask in all honesty,
 what would life be?
 Without a song or a dance what are we?
 So I say thank you for the music,
 for giving it to me.

Mother says I was a dancer before I could walk.
 She says I began to sing before I could talk.
 And I often wondered how did it all start?
 Who found out that nothing can capture a heart
 like a melody can?
 Well, whoever it was, I'm a fan.

So I say thank you for the music, the songs I'm singing,
 thanks for all the joy they're bringing.
 Who can live without it, I ask in all honesty,
 what would life be?
 Without a song or a dance what are we?
 So I say thank you for the music,
 for giving it to me.

I've been so lucky, I am the girl with golden hair.
 I wanna sing it out to ev'rybody.
 What a joy, what a life, what a chance.

So I say thank you for the music, the songs I'm singing,
 thanks for all the joy they're bringing.
 Who can live without it, I ask in all honesty,
 what would life be?
 Without a song or a dance what are we?
 So I say thank you for the music,
 for giving it to me.

So I say thank you for the music,
 for giving it to me.
